Sahayog Educational Campus, Vishnupuri, Nanded - 431 606 (Maharashtra)

**1.1.1: The Institution ensures effective curriculum planning and delivery through a well-planned and documented process including Academic calendar and conduct of continuous internal Assessment.**

The following systems are now in place at the Vasant Kale College of Computational & Management Science to ensure effective curriculum delivery.

1. Before the themes on the curriculum are introduced to the instructors at the start of each academic session, departmental meetings are held to discuss them.
2. The number of classes needed for each topic depends on the curriculum and the credits assigned to each topic, group, and paper, among other factors.
3. For each year/semester, the college administration provides a well-designed weekly Routine/Schedule/timetable for classes.
4. Department heads create a method that gets the required Principal approval.
5. Teachers design lectures based on the specified curriculum and available classrooms.
6. The college administration ensures that classes start and end on time.
7. For the benefit of the students, in addition to the departmental libraries, we also have a substantial central library with an open access policy. Our college subscribes to a wide range of journals (in the arts, business, and science). Both instructors and students have access to e-books and e-journals.
8. Various classroom teaching strategies tailored to the needs of various topic areas, including as

## Vasant Kale College of Computational & Management Science

Affiliated to Swami Ramanand Teerth Marathwada University, Nanded.

Sahayog Educational Campus, Vishnupuri, Nanded - 431 606 (Maharashtra)

- ✓ The chalk-and-blackboard method is widely used to effectively communicate content.
- ✓ An ICT-supported teaching-learning approach.
- ✓ Employing many software developers.
- ✓ In order to deliver lessons successfully, scientific models and charts must be employed.
- ✓ The professors' distribution of class notes.
- ✓ Classroom discussions that are directed by students.
- ✓ Curriculum-aligned micro-teaching and student-led seminars h. Presentations of student papers.
- ✓ A central instrumentation facility is available for this purpose, and students are provided with enough and sufficient supplies of equipment for their practical classes.
- ✓ Fieldwork, need-based surveys, and instructional field trips are all carried out by the departments.
- ✓ Students must complete dissertations and project work in order to complete their degrees.

For advanced studies, regular seminars and special speeches presented by experts are held.

The students' progress is monitored via frequent class examinations, midterm and semester exams, regular assessments in practical classes, and viva-voices.

Additionally, offered are tutorial and remedial programs, depending on student demand.

Departments keep extensive records of classes, exams, and project reports, among other things.

The college administration keeps a careful watch on the outcomes, departmental activities, and student demands in addition to keeping track of the college's multiple operations in terms of teaching-learning, growth, and improvement of various methods of successful curriculum delivery.
