Vasant Kale College of Computational & Management Science organized “Soft skills and Interpersonal skills “for BCA students by Dr. Shrinivas on 30<sup>th</sup> March 2022. The main objective of conducting this program was to give each student a realistic perspective of work and work expectation, to improve communication, to develop leadership qualities, to encourage teamwork, to enhance problem solving skills and to develop time management skills in Software industry as well as outside. 40 students from BCA students have attended this informative program.

Dr. Shrinivas took interactive sessions where he explained the importance of soft skills learning and how they became most important in the corporate field. On the session of the day of the training Dr. Shrinivas conducted group activity program among the students and assessed group activity performance of the students. An open feedback from the students has been asked and confessed that soft skills ensured them to be more productive. The management and principal expressed the gratitude to Dr. Shrinivas and students for making the program fortuitous.

A Soft skills development program was organized by the Vasant Kale College of Computational & Management Science on 17<sup>th</sup> October 2021. The speaker for training program was warm welcomed to the session on behalf of Chairman, Principal, Head of the Department and students. The Chairman of VKCCM welcomed everyone attended the session. Our respected principal had addressed the gathering. Coordinator of the event gave an introduction about the resource person and his achievements.

The training program is an initiative to impart Resume writing and Interview techniques which will help students to clear recruitment entrance exams.

The session was preceded by resource person, who took over the session and delivered a lecture on leadership skills. He further went on to give a vivid outlook on the importance of leadership skills at various working places, training was followed by seminar on team work, problem solving and resume writing skills.

The communication and interview skills of the student have been the major Target area.

The students were elated with the innovative suggestions and ideas that were discussed in the training by guest speaker. He mentioned some of the mile stones achieved by great leaders with the help of soft skills. He further threw light on the fact that all the students should now be prepared to ensure good leadership skills for students. The session went on to be more informative as he continued to talk about the need of leadership and soft skills for employability. Participation in a sudden jam session, group discussions, debates and other activities which helps

A Soft skills development program was organized by Vasant Kale College of Computational & Management Science from 27<sup>th</sup> April 2019 on “SOFT SKILLS AND INTERPERSONAL SKILLS” at 11 AM in Seminar hall. In this occasion students and teaching staff actively participated in this program.

In this our Principal Garu delivered a few words regarding the importance of Soft Skills and Interpersonal Skills “Soft Skills, on the other hand, are the interpersonal skills that people need in order to do well in their jobs. This can mean having the ability to work well in teams, manage time, and multitask. While soft skills are a necessity if one wants to do well in any field, they are especially important for Social Work.”

Vasant Kale College of Computational & Management Science organized “A training program on “Team work and Creative Thinking” for BCA students by Dr. Shriram Ramesh on 21.08.2018. The main objective of conducting was ultimately to set goal of critically thinking by solving problems or making decisions. This is achieved on by mentally processing information in a clear, logical, reasoned, and reflective manner so you can understand things better.15 students from BCA students have attended this informative program. Dr. Shriram Ramesh took interactive sessions where he explained the importance of soft skills learning and how they became most important in the corporate field. On the session of the training Dr. Shriram Ramesh conducted group activity program among the students and assessed group activity performance of the students. An open feedback from the students has been asked and confessed that soft skills ensured them to be more productive. The management and principal of Vasant Kale College of Computational & Management Science expressed the gratitude to Dr. Shriram Ramesh and students for making the program fortuitous.
