Vasant Kale College of Computational & Management Science was organized by the Department of Training and Placement on Career Awareness and Aptitude Program by Mrs Amol C. Kalaskar Assistant Professor, VKCCM on 15-11-2020 at the seminar hall.

Mostly Computer students don't have a clear knowledge of this aptitude test. They just think it's important to get admission to a top post-graduate colleges, but there is more importance of this test to create a bright career.

She emphasized how the idea that everyone has the ability to be creative does not successfully boost competition and makes it more difficult to be recognized as a professional creative.

industries practitioner. Even though everyone is creative or innovative in some manner, this does not guarantee success. This is due to three major factors. Some individuals have a better capacity for creativity and imagination than others. Some individuals lack the time and resources required to realize their creative potential. Others just believe that they cannot earn a career from their creativity and hence do not embrace or develop their imagination. Total of 11 students attended the event, and the speaker answered their questions.
